Dear Mrs Parlow,

yesterday, before leaving  
Petersburgh for 3 days, (two  
concerts at the Province) I  
received your letter from  
Amsterdam. - Very amusing  
your interview with Misha!  
You did not tell me if the  
concerts at Brussels and  
Holland are engagements

or your own Concerts?  
The programme for the  
London - Schuk made  
me thinking much about it.  
Mackovsky and Brahms, were  
many times executed; I  
suppose to begin better

- 1.) Flageuon
- 2.) Trille du Lioble (with  
Piano, the Orchester may  
spoil the effect)
3. Concerts des delosohn!

III

Of course, if Stockholm does not like the  
last, then she may play Paganini Concerto  
or Mercurio by. -- We can afterwards  
change, at Petersburg, if there is any  
necessity. -- For the 2<sup>d</sup> Concert we begin  
with the Handel Sonata, + Chopin's Study, almost  
always, or "Chaconne" Bach, and on the end, the  
"Hercules' Journey". -- For "Chaconne" Beethoven. --  
My Concerts in Petersburg was very brilliant

The girls make good progresses. - Miss Tynan played  
 already at the Ambassy and has a Privat-Concert in  
 view! There is another english girl, Miss Antony,  
 coming. - I do not know how to settle all this  
 lessons with my russian pupils, the Conservatory  
 and my activity as a Soloist. - But still, for  
 Kathleen I shall find a few hours a week. -  
 I returne to Petersburgh after Tomorrow, expecting news  
 from Holland and soon Yourself with Kathleen. -  
 Dearliest compliments!  
L. Auer
